Health Resources and Services Administration: Cooperative Agreement Expanding Access to Care for the Maternal and Child Health Population

Category 1: Collaborative Engagement (HRSA-14-011)

http://www.grants.gov/web/grants/view-opportunity.html?oppId=258622

Category 2: Measuring Collaborative Engagement Awardee Activity (HRSA-14-141)

http://www.grants.gov/web/grants/view-opportunity.html?oppId=258624

This is a Maternal and Child Health Bureau (MCHB) collaborative program of awardee organizations and the MCHB for the purpose of expanding access to care for the maternal and child health populations through the following program focus areas: (1) Ensuring continuity of coverage and care for pregnant women and children; (2) improving systems of care for children with special health care needs; and (3) promoting the use of Bright Futures Guidelines for all children.

Category 1: Collaborative Engagement awardees will be responsible for engaging key State agencies and offices (i.e. Public Health and Medicaid) on activities related to the three defined focus areas above and for raising awareness of best practices.

The primary focus of the Category 2 awardee is: measuring the impact of the Collaborative Engagement awardees, including engaging and collaborating with these awardees and monitoring updates and changes to progress in program priority areas and key activities.

LIMIT ON NUMBER OF PROPOSALS PER ORGANIZATION

Only one application per institution is allowed for either Category 1 or Category 2.
