Limited Submission Funding Opportunity

The Health Resources and Services Administration (HRSA): National Training and Technical Assistance Cooperative Agreements (NCAs)

[Link to Grants.gov opportunity]

**FOA#:** HRSA-15-140

This FOA solicits applications to provide necessary technical and non-financial assistance to potential and existing Health Center Program grantees and look-alikes nationwide. HRSA is seeking to fund up to four NCAs to provide training and technical assistance (T/TA) directly and through collaborative partnerships to support health centers in providing better, more affordable care and improving the health of individuals and communities.

Awardees will provide specialized national T/TA to health centers in one of the following Target Areas:

- **Oral Health:** Will provide specialized T/TA to help health centers provide new high-quality oral health services, enhance the quality of oral health services currently provided, and accurately report on oral health care quality in annual reports to HRSA.
- **Health Information Technology (HIT) and Data:** Will provide specialized T/TA to help health centers adopt, optimize, and implement meaningful use of electronic health records (EHRs) and related health information technology; develop and improve data quality, aggregation, and analytic capacity; use data to support clinical and operational quality improvement; and support effective recruitment and retention strategies for informatics and information management staff.
- **Clinical Workforce Development:** To help health centers identify and implement innovative models and effective practices to train health profession students, residents, and licensed clinicians to provide high quality care to vulnerable populations in team-based primary care settings.

**LIMIT ON NUMBER OF PROPOSALS PER ORGANIZATION**
One application per institution is allowed.

**KEY DATES**
If you are interested in this funding opportunity, please send a one-page summary of the proposed research and your biosketch to Eric Boberg (e-boberg@northwestern.edu) by April 16, 2015.

The sponsor application due date is June 1, 2015.

**COLLABORATION OPPORTUNITIES**
The Office of Research Development offers assistance in identifying and facilitating
collaborations, putting together interdisciplinary teams, programmatic and administrative
development of large, cross-school proposals, and leveraging institutional resources for outreach
and education. Contact Fruma Yehiely (yehiely@northwestern.edu), Director of ORD, for more
