Limited Submission Funding Opportunity

HRSA Reproductive and Environmental Health Network

**FOA#: HRSA-14-147**

The purpose of the Reproductive and Environmental Health Network funding opportunity is to fund a national organization to improve maternal and fetal health outcomes by providing evidence-based information on the safety of exposures in pregnancy and lactation. Activities will include:

1. Support regional Teratology Information Services (TIS) that provide one-on-one risk assessments and counseling to individuals of reproductive age and to providers on known and potential reproductive risks;
2. Provide the most current information to the public and health care professionals on possible risks from environmental exposures by advancing the knowledge base, synthesizing research, and developing resources to communicate findings; and
3. Improve access to teratogen information services to vulnerable and hard-to-reach populations.

**LIMIT ON NUMBER OF PROPOSALS PER ORGANIZATION**

Only one application per institution is allowed.

**KEY DATES**

- If you are interested in this funding opportunity, please contact Eric Boberg ([e-boberg@northwestern.edu](mailto:e-boberg@northwestern.edu)) by **July 7, 2014**.
- The sponsor application due date is July 21, 2014.

**COLLABORATION OPPORTUNITIES**

The Office of Research Development offers assistance in identifying and facilitating collaborations, putting together interdisciplinary teams, programmatic and administrative development of large, cross-school proposals, and leveraging institutional resources for outreach and education. Contact Fruma Yehiely ([yehiely@northwestern.edu](mailto:yehiely@northwestern.edu)), Director of ORD, for more information.

**CONTACT AND ADDITIONAL INFORMATION**
